

MCBRIDE FIRE UPDATE

This is an update on the fire at BKB Cedar Manufacturing near McBride, first reported on Wednesday, April 5.

The building is lost, and crews continue to work on extinguishing the fire in a nearby mulch pile. The fire is not posing a risk to neighboring properties or forested areas.

The fire is contained, but still active with investigations ongoing. Crews are expected to be on hand throughout the weekend. The public is asked to avoid the area as this fire is still under investigation and the scene is not safe for public access. Only authorized people are allowed on scene for the safety of the fire fighters and the public, as well as the integrity of the investigation. The public's cooperation in this matter is appreciated.

McBride and District Volunteer Fire Department are on scene with support and crews from many of the volunteer fire departments within the Regional District. On Friday, there were also crews from BC Wildfire Branch, along with the Beverly, Red Rock, Ferndale, Salmon Valley, Pilot Mountain and Valemount fire departments.

The next update will be provided at 10:00 am Saturday, April 8.
