

Addendum No. 2

Invitation to Tender – ES-16-07

Multi-Material Recycling Service

The addendum is being issued prior to the closing of the tender to provide further information, make changes to, or to clarify the Contract Documents and is to be read, interpreted and coordinated with all other parts of the Contract Documents. In the case of a conflict with the balance of the documents, this Addendum shall govern. **Tenders shall acknowledge receipt of this Addendum on the Tender Form and shall attach a signed copy of this addendum to their Tender.** This addendum shall form part of the Contract Documents.

Change to OPERATIONAL SPECIFICATIONS, COLLECTION CONTAINERS, page 38:

“Containers must be of a design that facilitates user convenience and safety. Collection containers openings will not require the average adult to reach higher than their shoulder or below their waist to deposit Recyclable Materials into the collection container.”

Shall be changed to read:

“Containers must be of a design that facilitates user convenience and safety. Collection containers openings will not require the average adult to reach higher than their shoulder or below their waist to deposit Recyclable Materials into the collection container. **Collection containers will be 30 yd³ at minimum and 40 yd³ at maximum in size.**”
