This addendum is being provided for clarification to RFP DS-19-02 released July 24, 2019

**Questions: July 30 to August 2, 2019**

1. Is there a page limit to the RFP submission?

**Answer:** No

2. We understand that the proposal noted above is a request for a second report and we're wondering which firm did the initial or first report for the Regional Fire Hall facilities?

**Answer:** *This will be the first Facility Condition Assessment and Lifecycle Report for the Regional District Fire Hall buildings. The title is listed with #2 only because this is the second group of buildings the Regional District has requested Facility Condition Assessment and Lifecycle Report for. The first group included a museum, community hall and two arenas in 2017.*

3. What is the budget for this project?

**Answer:** *This is a link to the estimate that I presented to the Regional District Board on July 18, 2019. The estimate I gave was \$100,000 for all of the reports required in RFP DS-19-02. The Board will approve the contractor and exact amount submitted.* <https://rdffg.civicweb.net/FileStorage/3E5EBA600EB6406A9F121D8CE598C935-okjBH-Facility%20Cond%20Assess-Life%20Cycle%20Rpt2%20comp%20bi.pdf>.
