ADDENDUM No. 1

**Invitation to Quote CS-20-20
SUPPLY OF NOMEX WILDLAND FIRE COVERALLS**

*The addendum is being issued prior to the closing of the invitation to quote (ITQ) to provide further information, make changes to, or to clarify the ITQ documents and is to be read, interpreted and coordinated with all other parts of the ITQ documents. In the case of a conflict with the balance of the documents, this Addendum shall govern. **Bidders shall attach a signed copy of this addendum to their quote submission, failure to do so may result in a non-compliant quotation.***

This addendum is being provided in clarification to ITQ CS-20-20 released October 29, 2020.

QUESTION 1: Will there be sizes greater than 50 Reg in the order? Prices are typically different/more for sizes 50 Reg. Also, there are options available for full bellowed radio pockets and mic loops.

ANSWER 1: Bidders are to provide a quote for 53 pairs of coveralls as if all sizes were under the “price break point” of the 50 Reg. Bidders are to provide details in their bid around “price break points” for various coverall size thresholds. If there are additional options that the bidder wants to include in their bid, bidders are to list these options separately as a “cost upgrade” option from what is listed in Appendix A – Coverall Specifications.

I/We hereby verify that we have considered this addendum in our proposal submission.
