

### **Addendum No. 3**

## **Request for Proposals ES-20-06 Engineering Consulting Services Redesign of Cummings Road Regional Transfer Station**

The addendum is being issued prior to the closing of the Request for Proposals to provide further information, make changes to, or to clarify the Contract Documents and is to be read, interpreted and coordinated with all other parts of the Contract Documents. In the case of a conflict with the balance of the documents, this Addendum shall govern. **Proponents shall attach a signed copy of this addendum to their proposal.** This addendum shall form part of the Service Agreement.

**Question:** What does the District want to do with the existing wall?

**Answer:** This question forms part of the proposal and preferred options provided by the consultant. The Regional District is open for alternative approaches.

**Question:** Is there a preference for bins to have a structural canopy?

**Answer:** The layout and structures of the facility are part of the consultant's proposal. Alternative approaches that are efficient and effective for the services provided are encouraged.

**Question:** If a survey was not completed, how was the conceptual design completed?

**Answer:** The conceptual design was completed based on historical inspections from old documentation and photos.
